## MEET THE INSTRUCTOR

Steven Kelly is the chief instructor and founder of South West Survival and has trained and instructed in weapon training, survival and bush-craft skills in the Commando Forces for over 20 years.

He has operated in the harshest environments around the world from the deserts of Afghanistan, to living in snow holes in the Arctic Circle. Steven is also PTTLS, CTTLS trained, SERE, Mountain First Aid and DBS checked.

His love of all things outdoors started when Steven was a cadet and the Army was the natural progression from there. South West Survival was started to pass on his skills and to keep bush-craft alive.

Steven has a passion for teaching and is truly happy when outdoors, he hopes to be able to impart that knowledge on those who wish to learn. While Steven has been on numerous survival courses in the Army, gaining valuable experience, he maintains you can never know enough and continues to learn and practice new skills when and wherever he can. When not working Steven has a lot of hobbies which include hill walking, camping and ultra-marathon running.
